

SACRED JOURNEYS TO SPANISH LANDS AND LANGUAGE

NOVEMBER 3-16, 2007 WITH MAGDALA RAMIREZ, MAYAN PRIESTESS

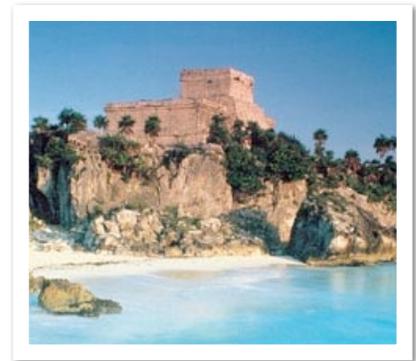

Unlocking the Secrets of the Ancient Maya

“The ancestors left writings, pyramids, codices, sacred places and crop circles to help us remember who we are. We went into a deep nightmare of separation and forgot. But now we remember.”
MAGDALA RAMIREZ

IMAGINE A VACATION... in which you learned Spanish, relaxed on white sand beaches, were given previously secret ancient wisdom, visited sacred Mayan historical sites, and had an amazing time with fascinating people, ...
SIMPLY STATED, THIS IS IT!

This exciting opportunity is offered in two parts: **Part I** is based near Tulum. You'll learn Spanish with our signature *¡Español Rápido!* class with time to practice with the patient locals, enjoy the exquisite turquoise waters and visit nearby attractions.

In **Part II** we visit Tulum, Cobá, Chichen Itzá, Ek Balam, sacred cenotes (see below), Izamal, and Merida. Throughout Part II, beautiful and wise Magdala will blend

her transformative teachings with ceremonies and individual healing sessions.
