Diane Dávalos, MA founded Expanded Learning in 1980 after deciding to live in Mexico, a move which required her to learn Spanish. Eventually she studied with the world's experts on optimizing learning and combined their techniques with the strategies she had developed as an adult learner. Diane determined that all of us have the capacity, not only to learn a new language, but also to EXPAND our confidence, creativity and love of learning.

Today EXPANDED LEARNING continues its commitment to every student's success. Our gifted, highly trained teachers have native language proficiency, hold Masters degrees and have taught tens of thousands of individuals throughout North and South America and Europe.

Expanded Learning's classes are based on Nobel Prize winning research and offer the fastest, most effective and enjoyable way to learn a new language.

The application of breakthroughs in learning technology that ensures participants experience lower stress levels and higher retention rates. Accelerated learning methods, as used in *¡Español Rápido!*, shorten training time and increase the ability to bridge communication barriers.

Hear about us from others:

"The instructor was absolutely brilliant with outstanding teaching and communicative skills. It was the best class I've ever taken, and I've taken a lot!!!"

Robert Thomson
Edgewater, NJ

"It's amazing how much we learned! The teacher was understanding, supportive, motivating, sensitive and inspiring."

Bill Hanson
Port Jefferson, NY

"I've learned more Spanish in 6 days than I have French after years of study. Muchas gracias!"

Susan Michelle Dubec
Madison, WI

The US Census Bureau reports that the Hispanic population has grown by 60% in the past decade to 35.3 million people and estimates that it will soon be the nation's largest minority.

If you've ever thought that speaking Spanish would enrich your personal life, now is the time to jump-start or build on your skills. *¡Español Rápido!* is probably your best choice!
